Loudoun County Fire-Rescue Commission  
16600 Courage Court  
Leesburg, VA 20175

Dear Commissioner Rambo:

Regarding FRG 4.3.3 Apparatus Purchase Assistance Program and in effort to keep your records accurate and to properly plan for our future, I would like to submit the following requests:

Removal of the 1996 Ford F350 4x4 Type I Ambulance from the eligible listing (unit was sold) and addition of our new 2008 Ford F450 4X4 Type I Ambulance (due to arrive in October).

PVRS respectfully submits a request to the commission to be placed on the funding list (FY2010) for 59% of replacement costs of our eligible 2001 Ford F350 4x4 Type I Ambulance. We intend on letting the bid of the replacement of this unit (same type, style) in the Summer of 2009 for procurement in the Fall 2009. We anticipate a total cost of \$170,000 and shall be requesting the program identified as "less than 60%" funding from the County.

Should you require any additional information or wish to discuss this request further, please do not hesitate to contact me.

Respectfully,

Robert W Ritchie  
President
